

Let us all with gladsome voice  
Praise the God of heaven,  
Who, to bid our hearts rejoice,  
His own Son hath given.  
Amen.

## CHRISTMAS GREETINGS

Baby Myles joined our family in January. He is very ticklish and enjoys slapstick humour. He also likes to be independent and feed himself (both food and non-food items). He *doesn't* like to lie still for a change of clothes, and is working hard on standing whenever he can.

inside gets broken, he is absolutely thrilled if Dad fixes it with the soldering iron. His other passion is making gingerbread.

Felix turned three in February. This year, Felix discovered the world of electronics and has been playing hard with different electronics kits. He has persuaded his parents to remove the backs from most of his toys so he can see the circuits inside. If something

Peter has been busy writing software from home again this year as Meier IT Pty Ltd. He had his wisdom teeth out in September. Outside, he has added some new tracks and a campsite to our block, put up some nest boxes, and planted around 50 new trees.

Elizabeth made some minor thesis corrections and graduated at last. Apart from caring for the boys, she is now updating their scrapbooks for the year.

We'd love to hear your news too!  
Best wishes at Christmas and throughout 2009.
