## Merry Christmas for 2018 and a Happy New Year!

“For a child has been born—for us! The gift of a son—for us! He’ll take over the running of the world. His names will be: Amazing Counsellor, Strong God, Eternal Father, Prince of Wholeness.” – Isaiah 9:6 (MSG)

For our family, 2018 has been a fairly relaxing year. Peter and Elizabeth kept working, and Felix and Myles respectively finished Years 8 and 5.

### Photos of our year

January - We went to Bundaberg to celebrate Fleur's (Nanna's) birthday.

April – For Mother's Day, we went up Mount Greville.

February – To celebrate Elizabeth's birthday, we went on a bushwalk (Coomera Creek) in Lamington National Park.

### The children's year

Felix and Myles had a very good year.

At the end of the year, one of Felix's zebra finches (Harriet) passed away, and we replaced her with a new finch called Kelly. The new pair of finches has started breeding, and at time of writing, we now have four baby finches! Felix has also received some prizes throughout the year, including third place in the Young ICT Explorers competition with his project Facemark, a way of marking rolls via facial recognition software.

Myles has also had a good year. He has started to go to a gym class and continued violin at school. He enjoys graphic design, including the picture on this newsletter, designing logos for Peter's work and correcting faults on old photos. He also enjoys playing Fortnite with some of his friends from school.
