Merry Christmas for 2019 and a Happy New Year

“And what is it that God has said? That he has given us eternal life and that this life is in his Son.”
– 1 John 5:11 (TLB)

Our Holidays

July – we went for a trip up to O’Reilly’s Rainforest Retreat.

September – we went to Canberra for a holiday.

Our Year

Felix has completed his final year of Middle School, and has received several awards. He also has taken up cross country running and ran in the Ipswich Park2Park race. Felix’s zebra finches have continued to breed, and we now have eleven finches!

Myles has just graduated from Junior School, in which he has continued learning the violin and doing graphic design. He has designed profile pictures/social media banners for his friends. He also entered the Ipswich Show photography competition and won 1st Place Champion. Myles has also started playing basketball for the school, and won a coach’s award.

Peter worked another year for himself in IT and enjoyed a conference in Cairns in May. Elizabeth continued to work at CSIRO and got an indefinite term at last. All in all, a pretty good year family-wise!
