MERRY CHRISTMAS FOR 2022 AND A HAPPY NEW YEAR!

"Oh, thank God—he's so good! His love never runs out." – Psalm 107:1 (MSG)
(newsletter by Felix and cover art by Myles)

2022 has been an exciting year for us with several major milestones.

Liz resigned/retired from her job (not sure which yet!) but has some contract work to go on with. She has also taken up cycling along with Peter, often riding their bikes on weekends.

Felix finished his last year of high school, graduating with high marks. He was also a Chapel Captain, which involved speaking at weekly chapel services. He received an early offer to study engineering and IT at the Queensland University of Technology next year and is excited to begin this new chapter in his life.

Myles graduated from Middle School and has continued doing weights. He started going to the school gym and has made several new friends there. He has also taken up a part-time job at a local McDonald's, working a shift or two a week.

We took advantage of the world reopening and set out a little further than the last few years. Peter went on a cross-country skiing trip to the Snowy Mountains with some old friends of his in the middle of the year. Felix and Elizabeth visited Japan together as an end of year trip, visiting several major cities and the Mt Fuji area. Apart from this, we made regular trips to Bald Rock, and to Bundaberg to see Elizabeth's parents.

Best wishes for a happy and holy Christmas and all the very best for the New Year!

Peter, Liz, Felix, and Myles
